

HISARLAR MAKINA COOKIE POLICY UNDER THE LAW ON PROTECTION OF PERSONAL DATA NO. 6698

This cookie policy has been prepared by **HISARLAR MAKINA** as the data controller. It has been created by the data controller within the scope of the Communiqué on the Procedures and Principles to be Complied with in Fulfilling the Disclosure Obligation with Article 10 of the Personal Data Protection Law No. 6698 (Law).

The purpose of this Cookie Clarification text is to inform you about which type of cookies we use for what purposes and how you can manage these cookies regarding the processing of personal data obtained automatically through the placing of cookies on your device.

For the cookies we use on our website, other than the mandatory cookies, the explicit consent of the users is obtained. However, users have the opportunity to change their consent at any time. Through the cookie management panel, they can see the types of cookies used on our website. At the same time, they can set their preferences with "open" or "closed" options for all cookies other than mandatory cookies. Thus, users can always change their preferences through this panel.

What is the Cookies?

A cookie is a small text file that is saved on your computer or mobile device via your browser when you visit a site. Cookies enable a site to work more efficiently, as well as provide personalized pages to provide a more convenient and faster visit experience for your personal needs. Cookies only contain information about your visit history on the internet and do not collect any information about files stored on your computer or mobile device.

Types of Cookies and Purposes of Use

There are two types of cookies, Persistent Cookie and Temporary Cookie, according to their validity periods. Temporary cookies are created while visiting the website and are only valid until you close your browser. Persistent cookies are created when you visit the website and remain until you delete them or expire. Persistent cookies are used for operations such as providing a personalized experience compatible with your settings.

Types of cookies and their intended use are described below.

Mandatory Cookies	These cookies are mandatory for our website (https://hisarlar.com.tr/) to work properly. For example, mandatory cookies are used for purposes such as authentication and not losing information about your current session. These cookies are used for purposes such as security and authentication and are not used for any marketing purpose.
--------------------------	--

Cookies Required for Functionality	These are cookies that allow users visiting our website (https://hisarlar.com.tr/) to remember their preferences. For example, it allows the visitor's language preference or text font size selection to be remembered. Not allowing the use of such cookies may result in not using a special feature for you and prevent it from remembering your preferences.
Cookies Required for Performance and Analysis	These are cookies that help improve our website (https://hisarlar.com.tr/). These types of cookies collect information about visitors' use of the site and these are used to control whether the site is working properly and to detect errors received.
Targeting and Advertising Cookies	These cookies are used to promote products and services on our website (https://hisarlar.com.tr/) or in channels other than our site, to show you relevant and personalized advertisements with our partners, and to measure the effectiveness of advertising campaigns.

How Are Cookies Collected?

Data is collected through your devices from which you access browsers. This collected information is device specific. It can be deleted by the user at any time and access to information can be closed.

Privacy Policy

Your privacy is important to us. Your privacy and security rights are our basic principle as HİSARLAR MAKİNA.

In this context, you can read our clarification text on the protection of personal data, [HİSARLAR MAKİNA CLARIFICATION TEXT WITHIN THE SCOPE OF THE LAW NO. 6698 ON THE PROTECTION OF PERSONAL DATA](https://hisarlar.com.tr/), at (<https://hisarlar.com.tr/>).

How can you control cookies?

You can delete the cookies already on your computer and prevent the saving/placement of cookies on your internet browser.

Internet browsers are predefined to automatically accept cookies. Since managing cookies differs from browser to browser, you can refer to the help menu of the browser or application for detailed information.
